(A) Full Season Athletes — \$3,800

Eligible to attend all trainings, camps and regattas.

Payment dates

Fees will be invoiced on 1 October and are to be paid in full before the start of the December Camp on 5 December.

(B) Late Start — \$2,900

Last Tihoi intake 2026 and students new to SPC who cannot train with the Club in Term 4.

This fee classification is for those in the last Tihoi intake of the year who cannot participate in Rowing Training in Term 4. It is also for students who are new to SPC starting in 2027 and live too far away to attend weekly trainings in Term 4.

This group starts training from the December Camp (5 December), and the Xmas Regatta (11–13 December) is their first regatta.

Payment dates

Fees will be invoiced on 1 November. \$1,000 must be paid before the start of the December Camp on 5 December. The balance is to be paid before the start of the January Camp on 10 January.

Optional: attendance at Spring Camp for an additional charge of \$400.

Optional Extras

How Our Fees Are Set

Club costs are a mixture of fixed club costs (power, lease, water, fleet maintenance, club events, coaching etc.) and costs directly attributable to a rower (most camp and regatta costs, licence fees).

A 5% increase in the full season fee, based on inflation, has been made for 2026 – 2027.

The direct costs and coaching costs of each fee classification, compared with a Full Season rower, are approximately:

Fee classification	Direct costs	Coaching costs
(A)	89%	70%
(B)	20%	30%

All of this has been taken into consideration when calculating the fees.

Withdrawal & Refunds

Refunds depend on the withdrawal date for each fee classification. The refund is a percentage of the fees.

Classification	Withdraw	Refund
(A) Full Season	On or before 3 November	75%
	On or before 1 December	34%
	From 2 December	No refund
(B) Late Starter	On or before 31 December	65%
	On or before 31 January	34%
	From 1 February	No refund
(C) Early Finisher	On or before 3 November	34%
	From 4 November	No refund
